PROFILE

Hi, I'm Cat Achieng, A UX Designer specialising in Digital Product Design, Web Design, and User Interface/Experience Design. Previously, I was freelancing full–time as a Web Designer / Developer for 6+ years, creating websites that are simple, beautiful and easy-to-use. I am currently seeking a UX role, where I can work on creative, user-centered projects that solve problems and create user experiences that are inclusive, well-informed and cohesive.
